we received an incredible amount of feedback prior to writing the 2025 release of dynamic business law the following list of changes and improvements is a testament to our users and their commitment to making dynamic business law the best content of its kind every chapter has multiple cases in the questions problems section in response to suggestions from adopters and reviewers of previous editions each chapter contains the following in multiple chapters we introduced legal issues surrounding social media we added relevant legal challenges created by the rapid growth of artificial intelligence multiple additions reflecting the increasing fascination with entrepreneurship and its interface with the law a new feature in the final pages of the chapter called practical tips for business managers the idea of the feature is to emphasize that our book is a business law book full of helpful ideas for modern business leaders either a new major case or a new point counterpoint reviewers consistently applaud the freshness of our cases and we want to continue to earn their applause in this regard new end of chapter case problems

we wrote this book because our primary sense of who we are as professionals is that we are teachers we play various roles in our careers but we are especially dedicated to our students we want them to listen read create and evaluate more effectively as a result of their experience in a business law class above all we want them to sense the importance and excitement of the law we want them to be aware that business resides in an atmosphere of legal rights and responsibilities the more they have an understanding of relevant law the more their business activities will flourish we tried to construct a book that contains the basics of business law but does not get bogged down in the kind of details that would be more appropriate in an upper level law class this sixth edition continues and advances the pedagogical strengths of earlier editions as difficult as it is to recall what it is like to know almost nothing about business law we tried repeatedly to force ourselves to remember that the text is for students not for us to reveal our previous training toward that end we have simplified and clarified as often as we could

dynamic business law is appropriate for the one semester business law course it contains the basics of business law but does not get bogged down in the kind of details that are more appropriate in an upper level law class the text provides an examination of the basic questions concepts and legal rules of business law emphasis on the business in business law dynamic business law the essentials emphasizes the tie of legal issues back to the core business curriculum this will help both students and faculty faculty need to know how this is integrated as they are constantly defending the inclusion of this course in the business curriculum and students need to understand how the concepts tie to their future business careers emphasis on teaching many professors teaching this course are attorneys first and academics second they do not have a lot of time to prepare or think about how to apply this information effectively for their business students dynamic business law the essentials

contains a helpful instructor's manual particularly for the many adjuncts teaching this course emphasis on critical thinking neil browne one of the co authors of this text has written a successful text on critical thinking his framework is included in dynamic business law the essentials as well to help students learn how to frame and reframe a question issue critical thinking questions are also included at the end of each case to tie in this component even further

fostering better business thinkers with the law in mind an ethical decision making framework first introduced in chapter 2 is a cohesive theme throughout cases questions and other material an emphasis on critical thinking backed by co author neil browne's expertise in this area teaches students how to frame and re frame a question issue a focus on business relevance consistently ties legal issues back to the core business curriculum students leave with an appreciation of why understanding the law in the context of the business is critical to their future success as a business leader with connect students benefit from critical thinking practice with interactives a personalized reading experience with smartbook and review opportunities that drive enhanced performance in this crucial business course
